

General access rules

1. These house rules apply to everyone who enters our event site, the campsite, the parking lot and other locations belonging to the event (the "Location"). In this way, together we ensure a pleasant and safe experience.
2. In this document you can read what you can and cannot bring to a multi-day (camping) festival. Are you unsure about an item? Then there is a good chance that it will not be allowed inside. Please note: Festivals Limburg cannot store items for you, so please do not bring unnecessary or valuable items. The less you bring, the faster you can enjoy the event!
3. Always follow the instructions of the Festivals Limburg team or the authorized persons designated by Festivals Limburg. They are there to help you and others and make everything run smoothly.
4. In situations not covered by these house rules, Festivals Limburg may decide to take extra measures.

Self-reliance, Own risk & Liability

5. Anyone on or in the Location is requested to inform themselves of the escape routes in case there is an emergency.
6. If necessary, the Location or Festivals Limburg can decide to evacuate the Location.
7. Make sure you can always contact your home front in case of emergencies.
8. Entering the Location and attending the event are entirely at your own risk. Festivals Limburg accepts no liability whatsoever for damage caused by entering the Location or attending the event, such as hearing, sight and/or other physical damage.
9. In or on the Location, you may be exposed to noise levels above 80 dB(A). Wearing hearing protection is your own responsibility. Festivals Limburg advises to use hearing protection to prevent hearing damage.
